

Umkhuleko wesikhumbuzo sika Archbishop Hurley

Baba othandekayo,
Siyakubonga ngempilo ubizo nokuzinikela
kwesikhonzi sakho uDenis Hurley
uBhishobhi wethu, umfowethu,
nomngani wethu kuKristo.

Sikhulekela ukuthi umsebenzi wakhe
wobulungiswa noxolo,
uthando lwakhe lokunakekela
abahluphekayo nabacindezelekile;
nesifiso sakhe sokuguquka
nokuvuseleleka kwebandla,
sengathi kungaqhubeka kusigqugquzele
ngokuthi kunezeleleke ukukhuthala.

Yenza ukuba isipho soMoya sisivumele
ukuthi sikwazi ukusebenzisana
sakhe umbuso wakho ezimpilweni zethu,
emsebenzini wethu nasemhlabeni wethu
njengoba sizabalaza silandela isiqubulo
sikaDenis Hurley esithi:
“Ia uMoya ukhona, kukhona inkululeko!”

Lalela ngomusa umkhulumeli wethu
isikhonzi sakho uDenis,
kuthi ngokusekwa uyena ube nesihe
nathi embusweni wakho.

Siyakhuleka ukuthi kuKristo indodana
yakho, sonke singcweliswe, sibemunye.
Amen.

Prayer in honour of Archbishop Hurley

Loving Father,
We thank you for the life, vocation and
ministry of your servant Denis Hurley,
our Bishop, Brother and Friend in Christ.

We pray that his work for justice and
peace; his loving care for the poor and
marginalised; and his vision for a
reformed and renewed Church,
may continue to inspire us with
increased vigour.

Grant that the gift of the Spirit
may enable us to act in harmony
to establish your kingdom
in our lives, our work and our world
as we strive to follow Hurley's motto:
“Where the Spirit is, there is freedom!”

Listen kindly to the intercession
of your servant Denis on our behalf,
and grant us the favour of his patronage
in your kingdom.

We pray that in Christ your Son, all may
be sanctified, all may be one. Amen.
