

# LORD, SAVE SOUTH AFRICA

Lord, we put our trust in you.  
You are our God.

You are the Good Shepherd.

We trust in you, our Helper

We trust in you, Lord our God.

Lord, we ask you, save our country which is on the way to destruction.

Lord, save our country.

Lord, save South Africa,

Save South Africa, Lord, from the rich, the powerful and arrogant.

Lord, save South Africa from the greedy.

Save South Africa, Lord, from those who are enriching themselves at the expense of the poor.

Save South Africa, Lord...Lord, save South Africa from destruction.

Lord bless South Africa and raise her up.

Lord, save South Africa.

Save our Country, Lord, save our land.

Save the land of our Fathers and Mothers, which you gave us out of love.

Save this country, liberated because of the blood-shed of so many people.

Lord, save this country, for the sake of so many people killed for the liberation of this country.

May their blood, their deaths and their sufferings not be shed in vain.

Save our country, Lord, from wars and sufferings.

Lord, save our country from the scourge of corruption.

Lord, save our country from selfishness, greed and avarice of our leaders and those in power.

Lord, save our country from leaders working to destroy the fortunes of this country.

Lord, save us from our leaders who seek not to serve our country but rather seek to be served.

Save us from leaders who steal and squander the money and resources of this country, meant for the poor and vulnerable.

Lord, save our country that is in trouble.

Who can save our country, if not You Lord?

Lord, who can save us?

We cry out to you.

Lord, save us!

We cry out to you, for You are our Helper.

We no longer look to the mountains for help but to you Jesus, our Lord and Saviour.

Save us, Lord. Protect us.

Lord save our country.

Lord, save South Africa.

Lord, give us the power to fight against satan, his evil schemes and temptations.

Lord, give us the power to fight against the evil in our hearts.

Lord, give us the power to fight against the evil in our country.

Lord, give us the power to fight against the evil at work in our world.

Jesus, free our country.

Jesus, inflame our country with the fire of your love.

Jesus bless our country and save us.
